## FROM THE DESK OF CHAIRPERSON Friends & Well wishers,

Bal Bhavan is a source which gives children a platform to showcase their talent and creativity. The concept behind the Bal Bhavan is to bring out the hidden talents in the children by exposing them to various activities in a free atmosphere which helps children to gain self confidence and discover their potential, their likes and dislikes and prepare them to face the challenges of tomorrow.

The greeting card project is a unique project launched by Bal Bhavan Goa. We are organizing on the spot greeting card design contest, where we witness the originality of the work done by each child.
